SEPA Threshold Determination

Determination of Non-Significance (DNS)

Description of proposal:

The City of Sammamish is considering changes to development regulations that aim to improve compatibility between residential uses and other kinds of uses found residential zones through: 1) Screening of waste containers, 2) Standards for outdoor lighting, 3) parking lot design, 4) daycare pick up/drop off areas, 5) reasonable accommodation.

Proponent: City of Sammamish, Department of Community Development

Location of proposal: Citywide

Lead agency: City of Sammamish, Department of Community Development

The lead agency for this proposal has determined that the proposed development regulation changes do not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted in writing and received by the deadline described below. Pursuant to SMC 20.15.130 there is no administrative appeal process for this action.
