PUBLIC NOTICE

The City of Sammamish Parks & Recreation Department, located at 801 228th Ave SE Sammamish, WA 98075-9509, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Big Rock Park Site B Phase I Improvements, is located at 1516 220th Ave SE in Sammamish in King county.

This project involves 12.75 acres of soil disturbance for Highway or Road, Utilities, Other (parking area, pedestrian circulation) construction activities.

The receiving waterbody is Ebright Creek.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
