CITY OF SAMMAMISH DEPARTMENT OF PUBLIC WORKS

REQUEST FOR QUALIFICATIONS

Construction Engineering and Management Services for: Sammamish – WSDOT – King County ITS Improvement Project (Federal Aid Project Project No. CM-9917-029) Phase 1a: 228th Ave NE – Sahalee Way NE – SR-202 Phase 1b: Traffic Management Center

The City of Sammamish Department of Public Works is soliciting interest from consultant firms to provide construction engineering and management services for SAMMAMISH-WSDOT-King County ITS Improvement Project. Firms should have expertise in project administration, construction management, and inspection related to federal funded projects. This agreement is anticipated to be in effect until April 2021. Statement of Qualifications are due on May 12, 2020 no later than 4:00 pm.

Construction engineering and management services will include tasks for each phase of the project as described in the Request for Qualifications packet.

View the complete Request for Qualifications packet at https://www.sammamish.us/government/departments/public-works/current-projects/.

Please direct any questions concerning this Request for Qualifications to the Public Works' Project Manager listed in this RFQ. Proposing firms may submit written questions by e-mail only to the Project Manager at any time prior to the date in the Proposed Timeline. Any oral communications will be considered unofficial and non-binding on the City. Consultants are expected to visit the City's website for responses to questions.
