**Addendum to Determination of Non-Significance (DNS)
WCF2012-00003**

Description of proposal: T-Mobile proposes to modify an existing wireless communication facility (Thompson Hill, SEO2657E) which includes the replacement of three existing antennas with three new antennas. T-Mobile will also be adding associated electrical components on an existing Puget Sound Energy, PSE pole. The replacement antenna sizes are 51.5” x 19.7.”

Description of Addendum: This is an addendum made pursuant to WAC 197-11-600(4)(c) and WAC 197-11-625 to City of Sammamish DNS for T-Mobile made on February 9, 2007 for application PLN2006-00104 and associated building permit number BLD2006-01117. The original DNS was for the addition of four new flush mounted 51” x 11.9” antennas to the PSE pole with screened equipment cabinets. The size of the replacement antennas will be expanded.

Proponent: T-Mobile

Location of proposal, including street address: The replacement antennas are proposed to be located on 212th Avenue SE within the city right-of-way just north of SE 6th Place.

Lead agency: City of Sammamish

An addendum [WAC 197-11-600(4)(c) and 625] contains minor new information that was not included in the original SEPA document. An addendum may be issued for any SEPA document, and there is no set format. The addendum should clearly identify the original document, as well as the new information.

There is no comment period or appeal period for this addendum.
