Proposed amendments to the City of Sammamish's Comprehensive Plan and
Development Code
Public Hearing Date: June 21, 2018

Notice is hereby given that the City of Sammamish Planning Commission will hold two public hearings regarding proposed amendments to the City's Transportation Element of the 2015 Sammamish Comprehensive Plan and associated code amendments to Titles 14 and 14A of the Sammamish Municipal Code (SMC).

SUMMARY of AMENDMENTS: The Planning Commission is considering amendments to concurrency and level of service (LOS) policies as well as technical background information in the Transportation Element of the Comprehensive Plan. The proposed amendments directly address a City Council-identified emergency regarding the City's transportation LOS and concurrency.

HEARING SCHEDULE: Public testimony will be taken by the Planning Commission on June 21, 2018 at two separate public hearings. The public hearings will be part of a regular public meeting, which will start at 6:30 PM at the City of Sammamish City Hall, located at 801 228th Avenue SE, Sammamish.
