

SEPA Threshold Determination

Determination of Non-Significance (DNS) – April 24, 2019

Title 24A

Description of proposal:

The Community Development Department is considering repealing Title 24: Interim Comprehensive Plan of the Sammamish Municipal Code and replacing it with Title 24A: Comprehensive Plan & Development Regulation Amendment Procedures. The language contained in the existing Title 24 was originally adopted in 1999 and last updated in 2003. Staff believe that revision is needed to make it easier both for the public to navigate the process and for City staff to administer it.

Proponent: City of Sammamish, Community Development Department

Location of proposal: Title 24A will apply within the corporate boundaries of the City.

Lead agency: City of Sammamish, Community Development Department

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted in writing and received by the deadline described below. Pursuant to SMC 20.15.130 there is no administrative appeal process for this action.
