General Standard: The city will establish standards for message content

Detailed Standard:

- The message has no political, religious or for-profit message. Not-for-profits and non-profits, including religious organizations, may use a banner for fundraising purposes. This provision shall not prohibit display on the banner of the name and corporate symbol of a sponsor of an event.

Emergency removal costs are NOT included in the banner permit fee—they are the responsibility of the sponsoring organization.

Completed banner applications will be accepted no more than one year in advance of the posting date. There are no reservations for banners. Only when a complete application is submitted, accepted and the installation fee is paid will the space be scheduled.

- An organization, other than the City, is limited to not more than 5 banner postings per year. These postings can be in multiple locations when payment is made for each site. This standard may be waived if there is insufficient demand for the use of banner sites.
- Priority for display shall be determined on the basis of receipt of fully completed application and fee (first in time shall be first in line).
- Banners will be posted for up to 14 days. The banner installation will normally take place on a Tuesday with removal to be 2 weeks thereafter. Banners posted for less than 14 days incur the same banner fee.

The City has the right to remove banners if there is sufficient time to do so before an adverse weather event to protect the banner, the banner mechanism and the public. If this occurs the Fee will be not refunded.
- When the banner mechanism is broken or otherwise inoperable, the City will consider refund of the installation fee. All other risk is solely that of the applicant.
