The City of Sammamish has developed design options for Phase I of the Issaquah-Fall City Road Improvements Project: 242nd Avenue SE to Klahanie Drive SE. These options were developed based on traffic data and feedback from the community and City Council.

**Can't come but want to participate?  
Materials will be available online**

Meeting materials will be available on the project website by Monday, July 11 prior to the workshop. Review the design options and share your ideas using the online comment form.
