

Shoreline Exemption Letter

A shoreline exemption may be granted from construction when undertaken by any person on the shorelines of the state, (e.g., Lake Sammamish, Beaver Lake or Pine Lake) for the following activities: the construction of new docks for private use valued less than \$11,200, the normal maintenance or repair of existing docks and bulkheads valued less than \$22,500, the construction of normal protective bulkheads and other work valued less than \$7,047.00 (all figures per WAC 173-27-040).

If you are requesting an exemption, please describe in your project narrative your request and demonstrate the following information on a development plan:

1. Boundary of parcel and land upon which the development is proposed.
2. Name of water body.
3. Ordinary High Water Mark (OHWM) location.
4. Critical area delineations.
5. Structures, improvements and uses (both existing and proposed) for subject site and adjacent properties (Including: identification, locations & dimensions).
6. Fill and grading, (Including: quantity, source, composition & destination).
7. Land contours, (Including: existing & proposed, 100-year flood at 33 feet per FIRM datum).

Please note that other local, state and federal permits, including but not limited to JARPA, may be required.
