

East Lake Sammamish Trail Segment 2B SSDP2016-00415 - Eastside Fire and Rescue

I. Fire Prevention Bureau Plan Review, dated March 29, 2017		
Item/Topic	City of Sammamish Comments	King County Responses
1	Submit all proposed changes to driveways/access points to existing structures to Eastside Fire for review. We will need the existing condition as well as the proposed change for each specific lot. We will address each change individually.	Not a shoreline comment: This comment is not relevant to the City's review of the shoreline substantial development permit application as it addresses matters outside the scope of the Shoreline Management Act and the City of Sammamish Shoreline Master Program. The County will separately respond to such comments received as part of the SSDP review process that are outside the scope of this permit application in the summer or fall of 2017.
2	All bollards installed along the trail shall be removable to allow EF&R access to the trail. Submit design for bollards to EF&R for review.	Not a shoreline comment: This comment is not relevant to the City's review of the shoreline substantial development permit application as it addresses matters outside the scope of the Shoreline Management Act and the City of Sammamish Shoreline Master Program. The County will separately respond to such comments received as part of the SSDP review process that are outside the scope of this permit application in the summer or fall of 2017.
