

# 2023 FEE SCHEDULE

## DEVELOPMENT REVIEW, PERMIT, AND RELATED FEES

A technology fee of 15% will be applied to each of the items below, except for impact fees, stormwater rates, surface water development charges, and code violation penalties.

A flat fee charged at time of application is a fixed fee with no additional fee charged.

A base fee is charged at time of application covers the hours listed. If additional hours are used, an invoice is generated for those hours at the hourly rate listed.

A deposit is charged at time of application as stated below. The Applicant is responsible for covering actual cost.

All fees assume a typical scope of work. If any project or application exceeds the typical scope of work, the Department Director has the discretion to charge time and material for any additional reviews and inspections needed.
