- Educational signage
  
- Accessible trails
- Connections to neighborhoods and parks
  
- Gathering Spaces
- Senior activities
- Event space
- Outdoor performance space
  
- Passive use/respice in nature
- Active use
  
- Tennis courts
- Pickle ball courts
- Disc golf
- Equestrian center
- Fishing pond
- Off-leash dog park

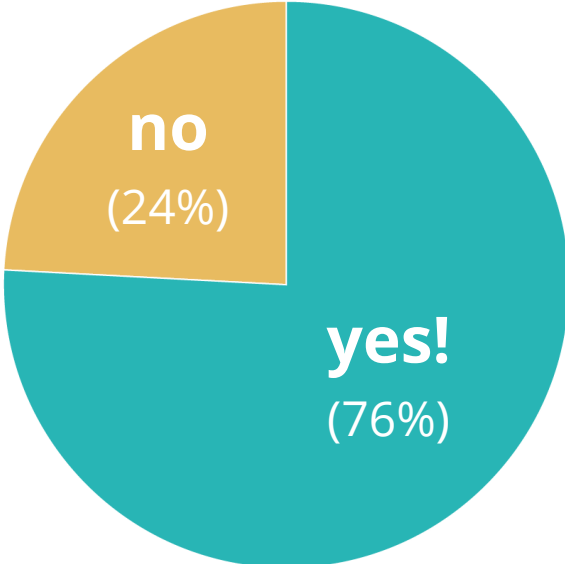

## What other activities could you imagine in these parks?

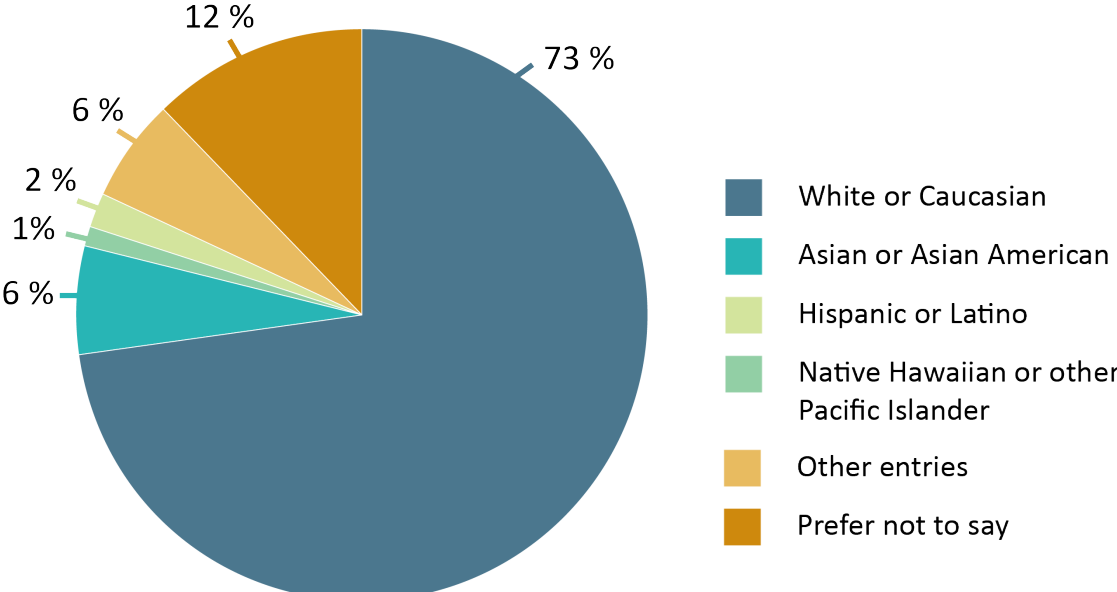

disc golf  
 botanical gardens  
 pitch and putt golf  
 community fundraising  
 plant nursery  
 botanical garden  
 childrens wilderness educ  
 pickle ball  
 peapatches  
 zip lines climbing walls  
 rental for small gatherin

# COMMUNITY SURVEY SUMMARY

## Have you ever visited Big Rock Park?

## Ethnic Background

**184**  
responses

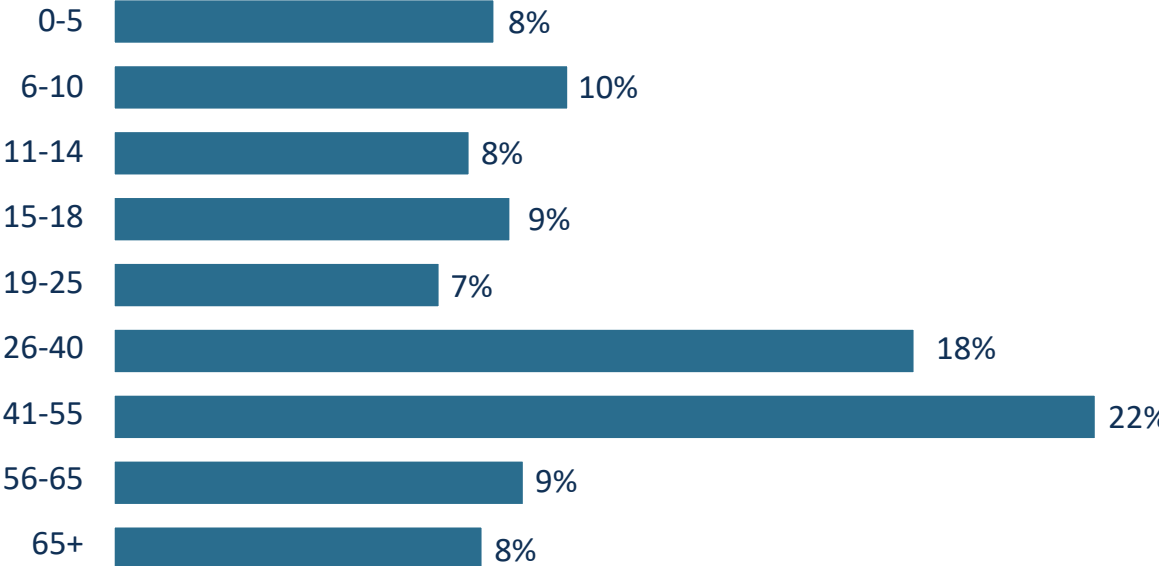

**20%** live within 1/2 mile of the parks

**68%** live in Sammamish

## What do you like most about the existing Big Rock Parks?

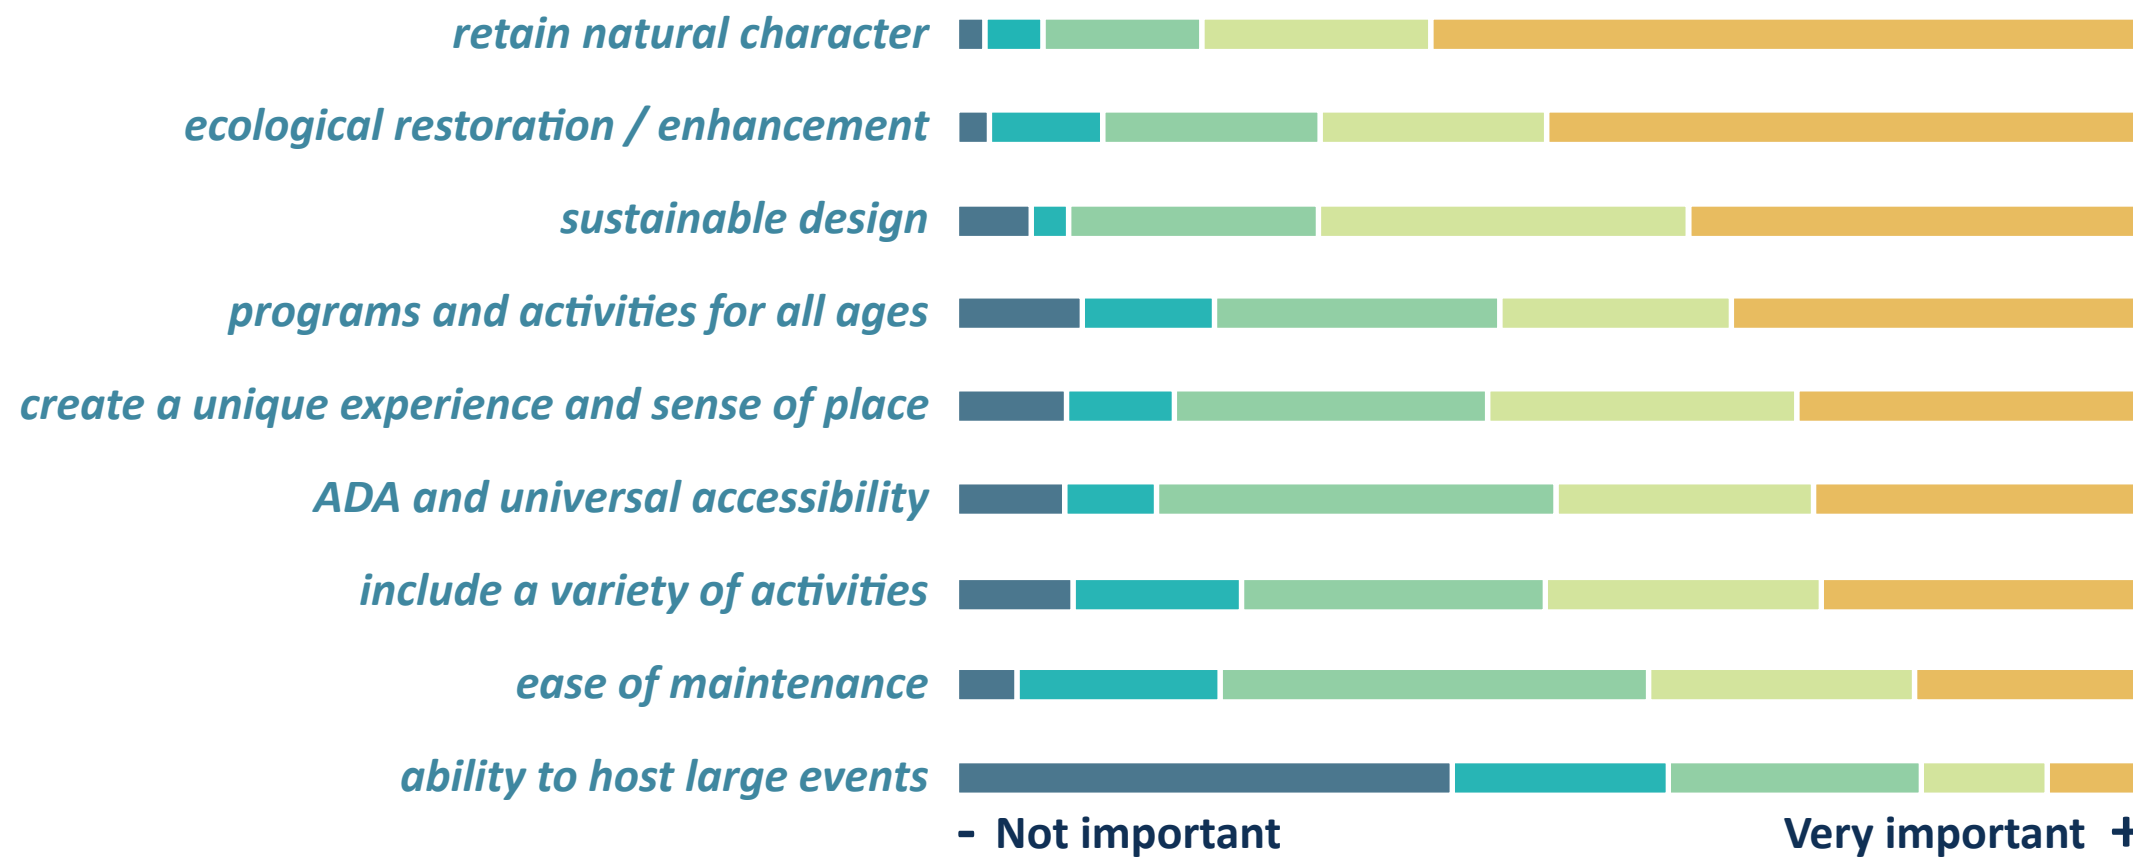

## Age Range

# COMMUNITY SURVEY SUMMARY

## Guiding Principles

How important are each of the following principles to both parks?

- Not important
- Somewhat important
- Neutral
- Important
- Very important

*Would like to see a well maintained off-leash area in one of the areas and on-leash enforcement in the others.*

*Add activities for underserved populations (teens)*

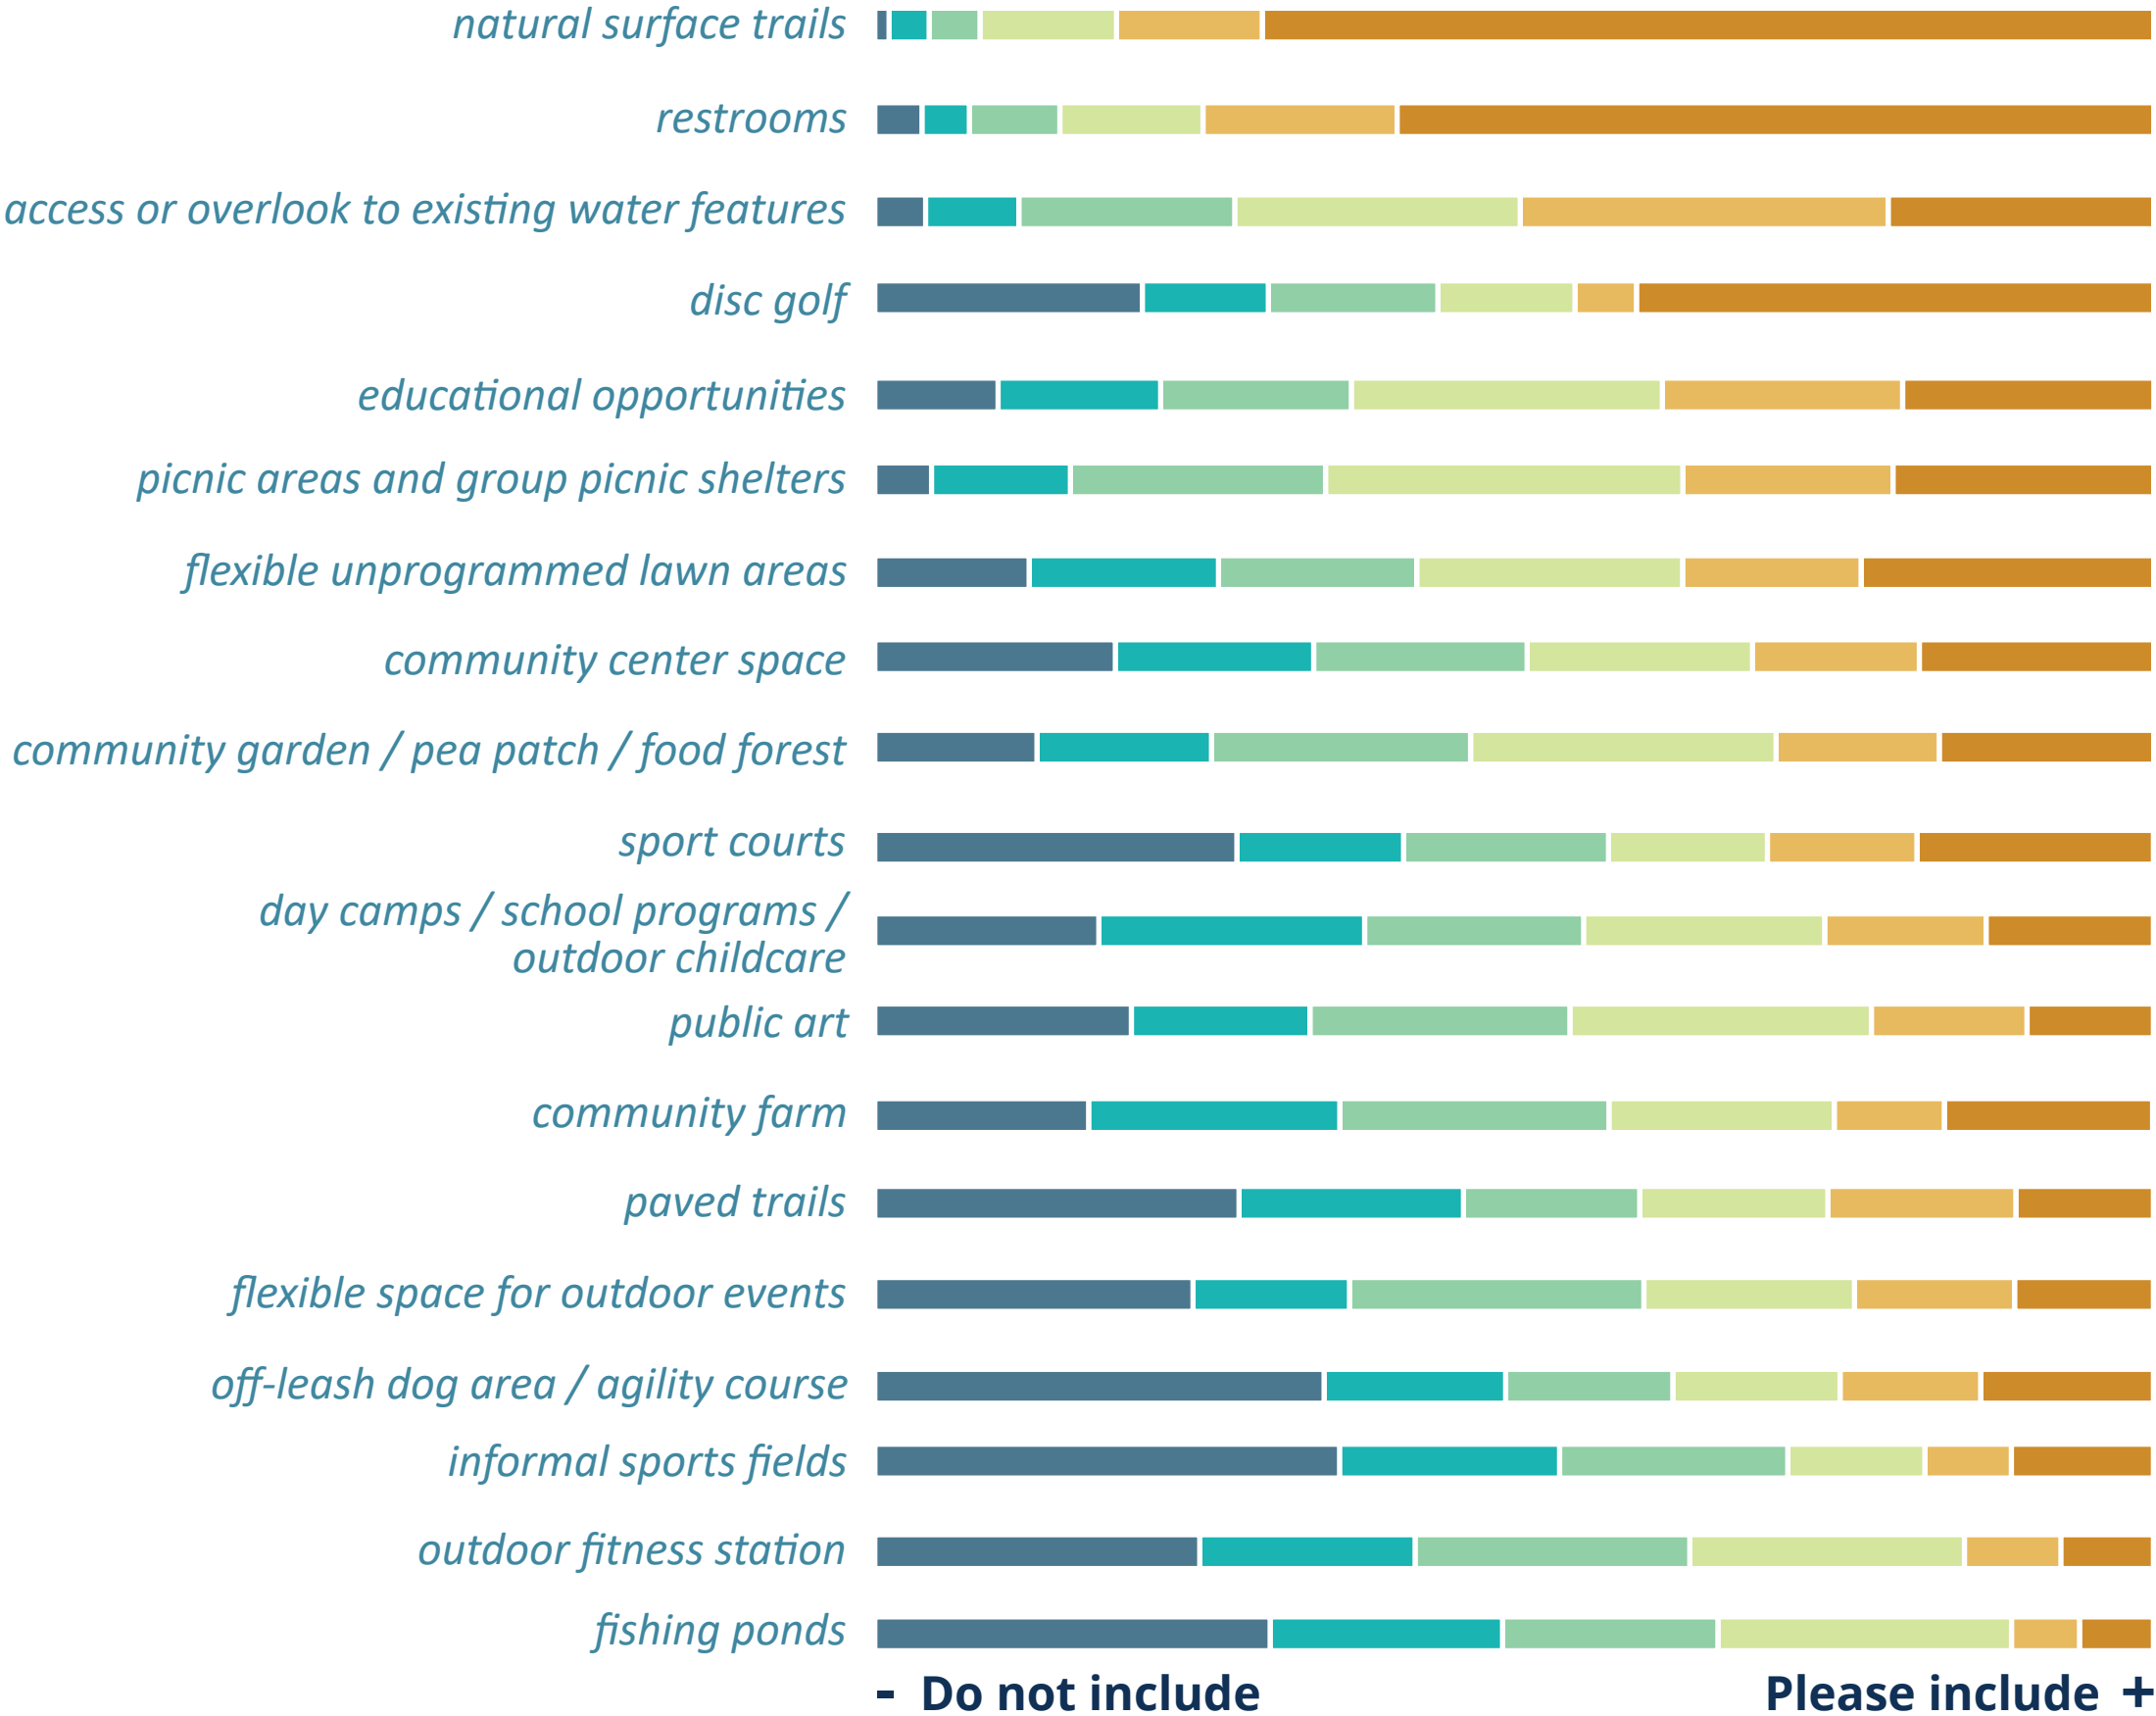

## What other guiding principles are important?

*Open green space is rare. Please don't fill up the small parks with baseball diamonds or other permanent recreational fields. Rather seek to embrace the natural beauty of plants.*

# COMMUNITY SURVEY SUMMARY

## Park Programming

## Other Suggestions:

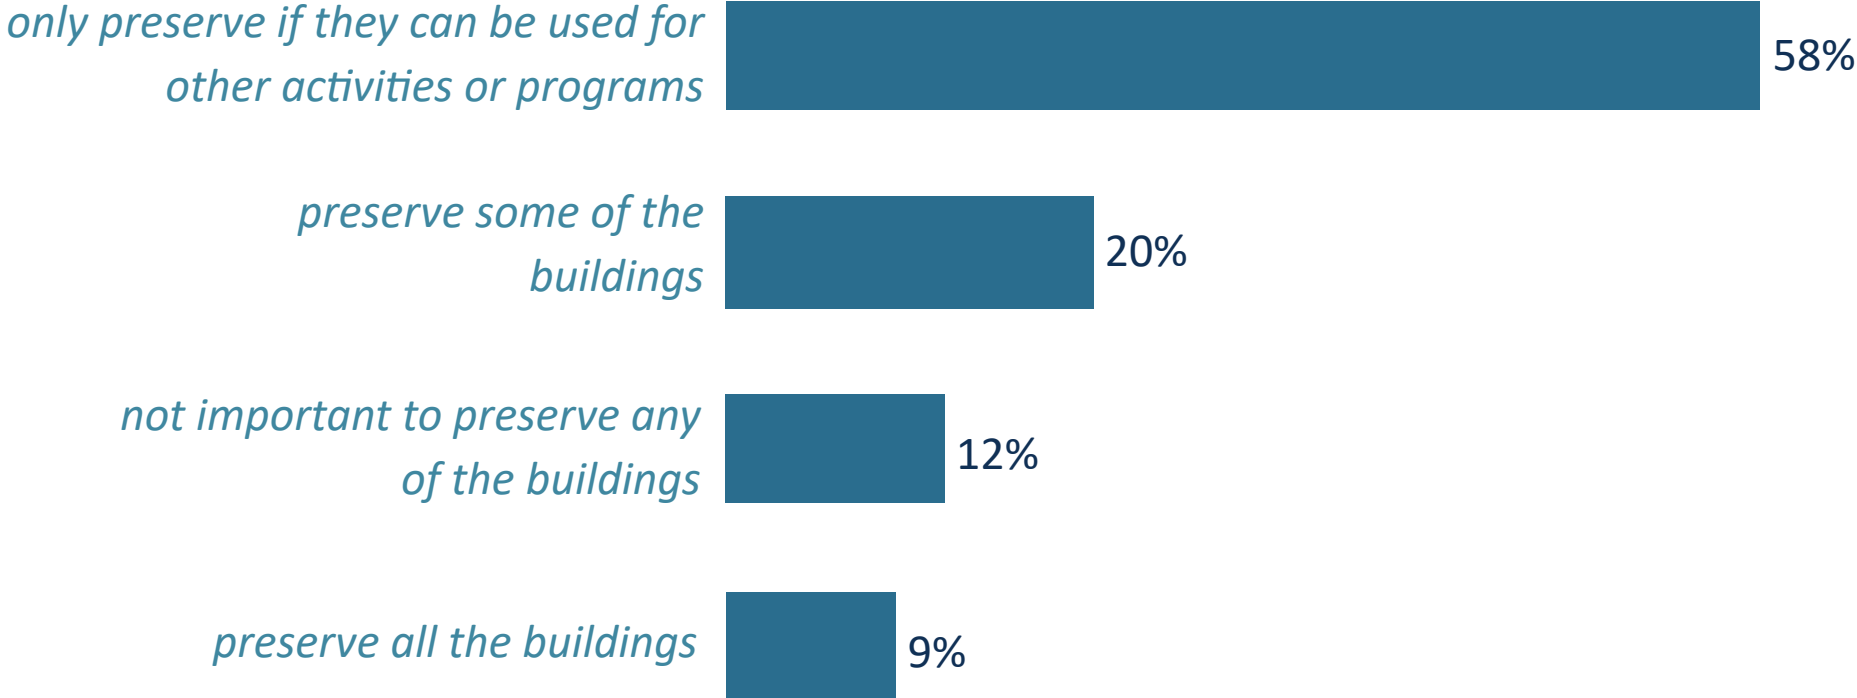

- Preserving nature and green space
- Continuous trails
- Parking
- Pickleball
- Safe access to parks
- Play features and playgrounds
- Connections to the Commons
- No formal sports fields
- Adequate park maintenance
- Traffic planning around park entrances
- No large events or activities
- Bike infrastructure
- Teen space and activities
- Partnerships

*Dedicated outdoor basketball courts are needed.*

*I do not think the parks should include space for outdoor concerts, festivals, public art, dogs to run, restrooms, etc., as these parks are in neighborhoods and concerts and dog parks could be very loud and intrusive.*

# COMMUNITY SURVEY SUMMARY

## Preserving Existing Buildings at BRP South

### Suggested Building Uses:

- Community meeting & classes
- Community events & gathering
- Museum & educational exhibits
- Formal & private event rental
- Storage
- Art & maker space
- Senior space
- Community garden & farm
- Community center
- All ages space
- Park caretaker
- Keep sport court
- Athletic activities

Barn

Pool House

*If only some are preserved, the **BARN** and the **POOL HOUSE** ranked the highest in priority to be preserved*
