The City of Sammamish is undertaking a periodic review of its shoreline master program (SMP) by using the optional joint review process authorized under WAC 173-26-104. The City of Sammamish and Washington Department of Ecology are accepting comments on a periodic review of the City's SMP under RCW 90.58.080(4). Send comments to City staff member Tracy Cui at 801 228th Avenue SE, Sammamish, tcui@sammamish.us . Comments sent to the City will be forwarded to the Department of Ecology.
