DEPARTMENT OF PUBLIC WORKS**

**City of Sammamish – 2021 Pavement Condition Assessment
RFP Due: February 23, 2021 at 4:00 PST**

Date Posted: 2/17/2021

Clarification:

On page 7, under Submittal Instructions and Requirements, the RFP states that "...**legal name certification/documentation** will not count toward the ten page limit." No legal name certification/documentation is needed as part of the submitted proposal package. Paragraph is revised to state:

"Please limit proposals to five (5) sheets of two-sided, 8 ½" x 11" pages (10 pages total) in length. Pages may be printed double sided. The cover letter, resumes, and QA/QC Plan will not count toward the ten page limit."
