

**Construction Stormwater Permit
(Notice of Intent)
City of Sammamish
Louis Thompson Road Tightline Project**

City of Sammamish, Jed Ireland, 801 228th Avenue Se, City Hall, Sammamish, WA 98075-9509, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Louis Thompson Road Tightline Project, is located at Louis Thompson Road, from East Lake Sammamish Parkway to 210th Place SE in Sammamish in King County.

This project involves 2.76 acres of soil disturbance for Highway or Road, Utilities construction activities.

Some discharges and runoff goes to ground water. The receiving waterbody is Channel to Zackuse Creek.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.
