Subject: Sammamish Parkway Trail hearing tomorrow

Good evening,

I wanted to add my comments to the hearing tomorrow.

As a long-time Sammamish resident, and a user of the trail, I am shocked we are still having these hearings while our neighbors to the North and South have either completed their parts of the trail (Redmond) or are well on their way to doing so (Issaquah).

I also am alarmed that my tax dollars continue to pay to fight something that all of us would benefit from. The delays seem to be the result of a small group of residents determined to use public land for their own benefit, and to the detriment of the rest of us.

Please register my concerns.
