

City of Sammamish

REQUEST FOR QUALIFICATIONS

The City of Sammamish Department of Public Works is soliciting interest from firms with expertise in Civil engineering and multi-modal transportation planning and design to mitigate roadway flooding and improve safety on SE Issaquah Fall City Road near Endeavor Elementary School.

SE Issaquah Fall City Road Flood and Safety Mitigation

The work to be performed by the consultant consists of preliminary engineering and project planning, public outreach, environmental review and permitting, right-of-way acquisition, preparation of plans, specifications, reports, and cost estimates up to Construction Contract Advertisement. Additional services for later project phases may be added through supplemental agreement.

Detailed information can be found in the Request for Qualifications package available through Sammamish's project webpage at <https://www.sammamish.us/business/bidding/>. If you are unable to obtain the RFQ package from the webpage listed above, please contact Jim Grueber by e-mail at the contact information below.

Proposals will be accepted until Thursday, May 16, 2024, 4:00 p.m. PST.
