**2.03 Amendments**

The City reserves the right to request that any respondent clarify its proposal or to supply any additional material deemed necessary to assist in the evaluation of the proposal.

The City reserves the right to issue multiple awards based on the specialty of the supplier and to ensure adequate and timely services.

The City reserves the right to change the schedule or issue amendments to the RFP at any time. The City also reserves the right to cancel or re-issue the RFP. All such addenda will become part of the proposal. If an amendment is issued, vendors must include an **"Acknowledgement of Addenda"** in their final proposal which is found on the second page of the **Affidavit** located on Page 45 of this bid packet.

**2.04 Proposal Withdrawal**

Proposals may be withdrawn at any time prior to the submission time specified in Section 2.01 provided notification is received in writing. Proposals cannot be changed or withdrawn after the time designated for receipt unless the award is delayed for a period exceeding 60 calendar days.

**2.05 Proposal Modification and Clarification**

Modification of a proposal already received will be considered only if the request is received prior to the submittal deadline. All modifications must be made in writing, executed and submitted in the same form and manner as the original proposal.

**2.06 Proposal Sheet**

The proposal sheet to be utilized is included in this RFP. It is to be fully completed by the vendor along with the vendor information and signature page that follows.

The City reserves the right to request documentation showing the authority of the individual signing the proposal to execute contracts on behalf of anyone, or any corporation, other than himself\herself. Refusal to provide such information upon request may cause the proposal to be rejected as non-responsive.

Incomplete proposals and proposals received after the time fixed for the opening will not be considered. Faxed responses are not acceptable.

### **2.07 Contract Award**

Proposals will be scored on the following criteria:

- Total price of the proposal 1/3<sup>rd</sup>
- Ability of the contractor to adequately staff the required scope of work 1/3<sup>rd</sup>
- Past work experience with projects of this size or larger 1/3<sup>rd</sup>

The City reserves the right to award the contract based on scoring of the above criteria.

### **2.08 Proposal Rejection**

The City reserves the right to reject any or all proposals or waive any irregularities and informalities in the proposals submitted and accepted by the City.

### **2.09 Proposal Validity Period**

Submission of a proposal will signify the vendor's agreement that its proposal and the contents thereof are valid for 90 days following the submission deadline unless otherwise agreed to in writing by both parties. The proposal will become part of the contract that is negotiated between the City and the selected vendor.

### **2.10 Public Records**

Under Washington State law ([RCW Chapter 42.56](#)) the documents (including but not limited to written, printed, graphic, electronic, photographic or voice mail materials and/or transcriptions, recordings or reproductions thereof) submitted in response to this RFP or Proposal (the "documents") become a public record upon submission to the City, subject to mandatory disclosure upon request by any person, unless the documents are exempted from public disclosure by a specific provision of law. Furthermore, "the documents" shall become the property of the City.

### **2.11 Compliance Requirements**

In addition to the requirements specified in the attached sample contract, as listed below, the vendor awarded a contract shall comply with federal, state, and local laws, statues, and ordinances relative to the execution of the work. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection by waste reduction and recycling; the protection of natural resources; permits; fees; licenses; taxes; and similar subjects.

### **2.12 Contract Requirements**

See attached sample contract for further contractual requirements, including but not limited to:

1. Payments
2. Warranties/Guaranty
3. Insurance Requirements
4. Indemnification/Hold Harmless
5. Contractors State Contractor License & UBI number
6. Contractors Employment Security Dept # & Industrial Insurance
7. Contractors State Excise Tax Registration #
8. Copy of Contractor's City business license.
9. Required Prevailing Wage/PW Requirement Training
10. No State or Federal Debarment.

### **2.13 Contract Execution**

The City shall not be bound or in any way obligated until both parties have executed a contract. If the selected vendor fails to sign the contract within ten (10) business days of delivery of the final contract, the City may elect to cancel the award and award the contract to the next highest ranked vendor.

All parties may incur no cost chargeable to the proposed contract before the date of the execution of the contract.

It is further noted that the Estimated Contract Value is a "Not to Exceed" amount and the contractor understands that the Estimated Contract Value may not be expended in its entirety.

### **3.01 Vendor Information**

The forms referenced below must be submitted with the vendor proposal. Please mark those areas that do not apply to your proposal with an "N/A" – Do not leave any space blank.

### **3.02 Signatures**

- An authorized representative must sign the proposal, with the vendor's address and telephone information provided. Unsigned proposals will not be considered.
- If the proposal is made by an individual, the name, mailing address and signature of the individual must be shown.
- If the proposal is made by a firm or partnership, the name and mailing address of the firm or partnership and the signature of at least one of the general partners must be shown.
- The City reserves the right to request documentation showing the authority of the individual signing the proposal to execute contracts on behalf of anyone, or any corporation, other than himself/herself. Refusal to provide such information upon request may cause the proposal to be rejected as non-responsive.

### **3.03 Performance Expectations**

If the vendor has had a contract terminated for default during the past five (5) years, all such incidents must be disclosed. "Termination for default" is defined as notice to stop performance due to the vendor's non-performance or poor performance. If contract was terminated for non-allocation of funds or any other reason, please explain in full detail.

The City will evaluate the facts and may, at its sole discretion, reject the proposal if the facts discovered indicate that completion of a contract resulting from this proposal may be jeopardized by selection of the vendor.

All vendors must certify that they are not on the Comptroller General's list of ineligible contractors, nor the list of parties excluded from Federal procurement or non-procurement programs.

### **3.04 Prevailing Wage**

The vendor is required to pay, at a minimum, the applicable prevailing wage rates to those employees performing services under the contract. The applicable wage rates are set forth in the [State of Washington Wage and Hour Surveys Schedule, RCW 39.12.020](#). Wage rates may be found at <https://lni.wa.gov/licensing-permits/public-works-projects/prevailing-wage-rates/>.

**The prevailing wage schedule in effect for the work under the contract will be the one in effect upon the date of execution of the contract.**

It is the responsibility of the vendor to ensure the appropriate labor classification(s) are identified and that the applicable wage and benefit rates are taken into consideration when preparing their proposal according to these specifications.

The selected vendor must submit to the Department of Labor and Industries, a "Statement of Intent to Pay Prevailing Wages". A copy of the Approved Notice of Intent to Pay Prevailing Wages must be submitted to the City prior to payment of the first invoice. The vendor will pay promptly, when due, all wages accruing to its employees.

**All invoice or payment applications are required to bear the following signed statement:**

***"I certify that wages paid under this contract are equal to or greater than the applicable wage rates set forth in the Washington State Prevailing Wage Rates for Public Works Contracts issued by the State of Washington Department of Labor and Industries."***

The selected vendor must submit to the Department of Labor and Industries an "Affidavit of Wages Paid" and a copy of an approved Affidavit must be submitted at the end of each contract year to the City before the last payment of a contract year will be released.

The cost of filing a Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid with the Department of Labor and Industries shall be at no additional cost to the City.

The Director of the Department of Labor and Industries shall arbitrate all disputes of the prevailing wage rate, [RCW 39.12.060](#) and [WAC 296-127-060](#).

**3.06 Scope of Work**

**Project:**     **Parks Landscape Maintenance**  
                  **801 228<sup>th</sup> Avenue SE**  
                  **Sammamish, WA 98075**

Landscaping locations and specific scope of services shall be completed in accordance with this Scope of Work and to the locations as described below:

A. Responsibilities

1. The vendor shall furnish all labor, tools, specialized equipment, material, supplies, supervision, and transportation to perform landscape maintenance services as specifically outlined in this section.
2. All fieldwork shall be performed under the supervision of a qualified horticulturalist. Operators shall be licensed for all functions, including pesticide, fertilizer, herbicide, and flagging where required.
3. The vendor shall ensure that employees comply with all City of Sammamish and Washington State Industrial regulations, policies, and practices.
4. Any vendor having employees working on or near a street shall comply with City of Sammamish and Washington State regulations pertaining to safety equipment, warning signs and traffic control. All employees involved with flagging or placing traffic directing devices in the roadway shall possess a valid Washington State Flagging Card. Failure to comply with proper safety procedures may result in termination of the contract.
5. The vendor's employees shall conduct themselves on site in a workmanlike manner at all times. Employees shall be courteous, neat in appearance and wear visible vendor identification.
6. The Project Manager or appointed representative shall inspect work performed by the vendor on a regular basis. In the event of work performance deficiencies, the Project Manager shall notify the vendor. Notification may be verbal or written. The City may choose to:
  - a. Require the vendor to rectify the deficiency within 24 hours and/or,
  - b. Collect liquidated damages as specified in the Contract.
7. The vendor shall establish a weekly work schedule. The maintenance shall be scheduled on day(s) and time(s) as mutually agreed upon by the City and the vendor. To the extent possible, work shall be performed on the same day each week. In no case shall work be performed more than forty-eight (48) hours after the regularly scheduled day without notification and consent of the Project Manager. Equipment intensive work such as mowing, edging, and blowing done at the work sites shall not commence before 7:00 am on weekdays and 9:00 am on Saturdays. No work on Sundays or Holidays – see city holiday list.
8. Work not included in this contract includes, but is not limited to herbicide application, plant replacement, thatching, aerating and structural repairs.

9. The vendor shall provide proof of State of Washington, Department of Agriculture, and Pesticide Certifications for each employee that will apply pesticides (upon award of contract.)
10. The vendor or his/her employees shall not remove or consume any property belonging to the City or City employees. This includes any articles that may be deposited for disposal in trash receptacles.
11. Equipment and supplies belonging to the City shall not be transferred from one job site to another by the vendor without permission of the Contract Administrator.
12. The vendor and his/her employees may not use City property, including telephones, for personal use unless given permission by an authorized City representative.
13. Smoking shall not be permitted in any City Building or on City grounds per SMC 7.12.646
14. The vendor shall be issued necessary gate and storage access key set(s). In no case shall the vendor make duplicates of any City keys.
15. The vendor and his/her employees shall ensure that all gates giving access to City facilities are secured. Failure to properly secure City facilities may result in a reduction of payment and/or collection of damages as specified in the Contract.
16. The vendor shall report any damage or potential hazard involving facility property immediately to the Contract Administrator during normal business hours, 9:00 am -5:00 pm. An after-hours City contact list will be provided (upon award of contract). Emergencies that occur after office hours shall be reported to the Police/Fire Communications Center, (call 911).
17. Hazardous conditions shall be immediately remedied or secured to prevent further damage and/or to protect members of the public from injury. It is the vendor's responsibility to provide close supervision of landscape maintenance operations and management of the work sites.
18. Incidents, altercations, or accidents involving facility visitors, vendor's employees or City employees shall be reported to the Project Manager in a timely manner. The Project Manager, at his/her discretion, may require a written report from the vendor describing the incident or accident.
19. The vendor shall replace, at the vendor's own expense, any lawn, groundcover, trees, shrubs, or other plant materials requiring replacement through negligence resulting from the vendor's failure to provide maintenance in accordance with the provisions herein. Plant materials supplied by the vendor shall be of first quality condition and shall be guaranteed by the vendor for one year.
20. The contractor will send an itemized invoice with attached checklist included, showing all areas maintained, description of work performed, and quantities, type and locations of any supplies used.

21. Only work completed will be paid for by the City.

**B. Equipment and Supplies**

1. The vendor shall furnish all tools, material, supplies, and equipment to perform Landscape Maintenance Services as specifically outlined in this section.
2. The vendor shall notify the Project Manager, by the next working day, in the event of any equipment failure (City owned equipment) or unsafe working condition.
3. The vendor shall supply all herbicides, fertilizers, chemicals and the like for servicing the facilities as scheduled.
4. The vendor shall ensure that all Safety Data Sheets (SDS) requirements of the United States Department of Labor Occupational Safety and Health Administration are met.

**C. Waste/Materials Disposal**

1. The vendor shall select his/her own sites for disposal of debris and unsuitable materials collected under the conditions of the contract. In no case shall debris and unsuitable materials be disposed upon City property or any property contiguous thereto.
2. The vendor is solely responsible for any and all damages, fines, or penalties for improper disposal of waste material, and for any other actions which he/she performs. The vendor holds the City faultless and free from liability for any and all damages and costs incurred as a result of the vendor's actions.
3. It shall be the responsibility of the vendor to pay all fees and costs incurred in the disposal of waste material.

**D. Inclement Weather, Rescheduling and Penalties**

1. Vendor may cancel all or part of a scheduled service due to inclement weather. It is the responsibility of the vendor to notify the Project Manager on or before 9:00 AM of the day to be cancelled.
2. Inclement weather shall be defined as weather that both the Contractor and City agree make the accomplishment of quality work unfeasible, time-consuming, or potentially dangerous or harmful. In the event mutual agreement cannot be reached for a particular service, the inclement weather determination shall be made by the City.
3. Any part of a scheduled service that is cancelled due to inclement weather shall be rescheduled in a mutually agreed upon timeframe.
4. Any portion of a service that is cancelled and not rescheduled shall result in the nonpayment of that service.

5. Any part of a scheduled service that does not meet the City requirements of this Scope & Maintenance Schedule shall result in nonpayment of that service until it is rectified to the satisfaction of the City.

E. Maintenance Task I: Lawn Care

1. General Lawn Care

- a. Mowing shall be done during the growing season, from March through November. Mowing from December 1 to February 28/29 shall be at the discretion of the City.
- b. The vendor shall maintain all lawns, excluding developed athletic fields, at the sites covered by this agreement in a healthy, neat, and trim condition.
- c. The vendor shall remove and dispose of all litter or debris from a mow area prior to mowing.
- d. All formal turf shall be maintained to a height range of two and one-half inch (2.5") to three (3") inches.
- e. All rough/meadow mowing turf shall be mowed to a height of four (4) to six (6) inches.
- f. Collection of grass clippings is required only to prevent grass clumps from being left on the turf. A mulching mower may be used when an acceptable appearance is obtained (no clumps or excessive grass left behind). Due to safety concerns, the use of side-discharge, non-collecting type mowers are prohibited in the areas of adjoining pedestrian or vehicle access.
- g. Hard surfaces shall be left clean and free of grass and debris resulting from landscape maintenance tasks.
- h. Any property damage resulting from the use of mowing equipment shall be the responsibility of the vendor.

2. Line Trimming

- a. Turf around signposts, fences, trees, shrubs, shrub beds and other obstacles shall be trimmed. Care shall be taken not to damage posts, structures, or trees with equipment.
- b. Turf around vaults, valve boxes, and irrigation heads shall be trimmed as necessary to ensure proper access and operation.
- c. Hard surfaces, signposts and fences shall be cleaned free of grass and debris resulting from this task.
- d. Any property damage resulting from the use of trimming equipment shall be the responsibility of the vendor.

3. Edging

- a. All lawn edges shall be edged at sidewalks, curbs, walls, foundations, formal pathways, and formal edges.
- b. Caution shall be used to prevent chipping of concrete, asphalt, or structures by edging equipment.
- c. Hard surfaces shall be cleaned free of grass and debris resulting from this task.
- d. Any property damage resulting from the use of edging equipment shall be the responsibility of the vendor.

F. Maintenance Task II: Plant Materials. Bed Areas and Tree Wells

1. Pruning

- a. The vendor shall maintain all trees, shrubs, and groundcover of the parks in a healthy, growing condition.
- b. All pruning of trees must be done under the supervision of a certified arborist.
- c. Shrubs shall be trimmed to maintain desired shape and function as needed to provide a neat, trim appearance. Pruning to maintain the natural growth habit of native plant species is recommended. Shearing, as a method of pruning, shall be used only with the approval of the Project Manager. Ornamental trees shall be pruned in accordance with International Society of Arboriculture (ISA) Guidelines and are not to be pruned except to remove singular broken branches or perform minor clearance pruning, unless otherwise approved by the Project Manager.
- d. Ornamental trees shall be pruned to maintain access along pedestrian, trail corridors, and streets. Trees shall be tip pruned, branch pruned and/or if of sufficient size and shape, pruned to lift the tree canopy to maintain overhead clearance. Immature ornamental trees must be carefully evaluated before any attempt is made to raise the canopy.
- e. Vertical trail clearance is a minimum eight feet (8') and horizontal clearance is three feet (3') beyond the trail edge. Horizontal clearance may vary depending on the style of construction, obstructions, and property boundaries. Topping or heading, which involves the cutting of limbs back to a stub, bud, or a lateral branch not large enough to assume the terminal role, is not an acceptable pruning method. Dead or diseased trees shall be removed and/or replaced at the option of the City and are not included in the contract. Pruning over twelve feet (12') is not part of the scope of services and will be handled by use of a Discretionary Work Request Form, unless specifically called for in the proposal request for a specific site.
- f. Trees in streets Right Of Way (ROW) are to be pruned to avoid sight distance or vehicle interference issues. Any and all tree pruning in the ROW requires the preauthorization of the Project Manager.

- g. Ornamental trees without tree wells are to be grass-free twelve to eighteen inches (12-18") from the tree base.
  - h. Native trees shall not be pruned unless specifically called for in the proposal request for a specific site.
  - i. Tree suckers, volunteer seedlings, and other undesirable growths shall be removed from trees and shrubs as necessary.
  - j. The vendor shall be responsible for notifying the Project Manager of any significant tree hazards including, but not limited to, dead native and ornamental trees, broken limbs, diseased and insect infested trees.
  - k. Tree grates shall be removed to weed in the tree well. If needed tree grates shall be cut to fit around the tree to provide a minimum of one-inch (1") clearance or maximum four-inch (4") clearance.
  - m. Major pruning of deciduous trees and shrubs shall be done during the dormant season. Minor pruning may be done at any time.
2. Weeds, Disease, and Pest Control
- a. **Landscaped/planted areas/beds shall be kept free of:** weeds, leaves, litter, debris, spent blooms and diseased, insect infested or dead plants and/or trees.
  - b. **Landscape bed areas shall be kept in a weed free condition.** Hand weeding is encouraged. Otherwise, beds will receive an approved pre-emergent or post-emergent herbicide. Landscape bed refers to any bed that is mulched (bark, compost, PGM, wood chips, etc.). The vendor shall provide twenty-four (24) hours advance notice to the Project Manager before making any chemical applications. Authorization to proceed will be given by the Project Manager once the site has been inspected.
  - c. **The vendor must follow the City of Sammamish Integrated Pest Management (1PM) Policy- PW-01(ver.2).** All applications shall be done in compliance with federal, state, and local laws and regulations. The City reserves the right to limit the use of specific pesticides.
  - d. The vendor, at their expense, will remedy, in a timely manner, any damage to desirable plant material due to vendor negligence or misuse of pesticides, including, where irrigation is available, negligence in providing adequate water supply for healthy plant growth and nourishment.
  - e. The vendor shall be responsible for minor pest control up to 12 feet vertical on all trees; and for all shrubs and groundcover. Major infestations requiring large-scale pesticide applications shall be contracted to commercial applicators in coordination with the City.
  - f. The vendor may need to remove dead and damaged plants and replace the same with plants of equivalent size, condition, and variety after obtaining the written approval of the City via a Discretionary Work Request Form.

- g. Plant materials supplied by the vendor to the City shall be of first quality condition and shall be warranted by the vendor for one year.

G. Maintenance Task III: Hard Surface Maintenance

1. The entrance drive, parking lots/areas, sidewalks, curbs, and other hard surfaces shall be kept free of leaves, litter, and debris. The use of power blowers is acceptable, however, accumulations of debris must be removed from the site and not blown onto adjacent property, street surfaces, fence lines, or planting areas (rough or bedded).
2. Undesired vegetation in/on sidewalks, tree grates, curbs and other hard surfaces may receive an approved herbicide application and/or shall be removed. In no case shall any pre- or post-emergent herbicides with residual characteristics (i.e., Casoron) be used in these areas.
3. Drains, if present at the site, shall be cleaned and checked during each visit and any garbage or debris shall be removed to allow for proper drainage.

H. Maintenance Task IV: Natural Area Maintenance

1. Invasive Control
  - a. The vendor shall be responsible for mechanical control/removal of invasive plant material (Scotch Broom, English Ivy, Himalayan Blackberry, Thistle, etc.) in specified areas (beds, lawns, natural areas, native/passive areas).
  - b. Areas of infestation shall be trimmed back by tractor-mounted mowers where access allows or by scythes, line trimmers or manual methods on rough, stony, or inaccessible areas.
2. Brush Control/Removal
  - a. All encroaching, neighboring vegetation, including brush, trees, and shrubs, shall be kept trimmed from any parks, roads, trails, walkways and maintained areas. Vegetation shall normally be trimmed at property boundaries, but also shall be trimmed to prevent the limitation of sightlines along trails and/or streets. Remove and dispose of all downed/fallen brush/branches, etc.
3. Leaf Removal
  - a. Sweep and collect all downed leaves in maintained areas, remove and dispose of off-site. Natural areas and/or Park boundary areas can have leaves blown back into forest/wooded areas.

**PURCHASED SERVICE CONTRACT**

	YES	NO
Prevailing Wage Required		
Unit Priced Contract		

**THIS CONTRACT**, is made and entered, by and between the CITY OF SAMMAMISH, a Washington municipal corporation (the "City") and

Contractor Name: (the "Contractor")

Project Name:

Commencing:

Terminating:

Amount Not to exceed: (includes WA State sales tax, if applicable)

**RECITALS**

**WHEREAS**, the City has determined the need to have certain services performed for its citizens but does not have the manpower or expertise to perform such services; and

**WHEREAS**, pursuant to the request for proposal (RFP) by the City, extended through an advertisement, the Vendor did file with the City a proposal containing an offer; and

**WHEREAS**, The City desires to have the Vendor perform such services pursuant to certain terms and conditions

**NOW THEREFORE**, in consideration of the terms and conditions contained in this Contract, the parties covenant and agree as follows:

**1. Scope of Work to be Accomplished.** The Contractor shall perform the services described in Exhibit "A" of this contract ("Work"). The Contractor shall provide and bear the expense of all equipment, materials, work and labor of any sort whatsoever that may be required for the transfer of materials and for constructing and completing the Work provided for in this Contract, unless otherwise specified in the attached plans, specifications, or Scope of Work. Contractor shall perform all services diligently and completely and in accordance with professional standards of conduct and performance and shall comply with all federal, state and local laws and regulations applicable to the performance of such services.

**2. Contract Documents.** The Contract consists of the following documents, which are all incorporated by reference.

- a) This Agreement and all Exhibits attached thereto;
- b) The request for Proposal, Invitation to Bid, or other City-issued request for project submittals
- c) The submitted project quote, bid or proposal

- d) Scope of Work (hereinafter referred to as "Work");
- e) Maps and plans
- f) Special provisions, if any
- g) All documents required under this Agreement, including but not limited to:
  - Documentation evidencing insurance,
  - Copy of Contractor's state contractor license and UBI number
  - Copy of Contractor's business license
  - Employment Security Dept #, if applicable
  - State Excise Tax Registration, if applicable
  - Industrial Insurance coverage, if applicable
  - Proof of required Prevailing Wage/Public Works Training (per RCW 39.04.350 effective 7/1/2019 or proof of exemption, if applicable).

The intent of these documents is to include all labor, materials, appliances and services of every kind necessary for the proper execution of the Work, and the terms and conditions of payment therefore. The documents are to be considered as one, and whatever is called for by any one of the documents shall be as binding as if called for by all.

**3. Payment.** The City shall pay the Contractor for the Work rendered according with the following procedures and subject to the following requirements.

3.1 The Contractor shall submit invoices for the work performed to The City of Sammamish Accounts Payable Department at [ap@sammamish.us](mailto:ap@sammamish.us) and The City agrees to pay the Contractor for the **actual** work completed to the satisfaction of the City and in conformance with this Contract. There is no guarantee that the full contract amount will be expended. The City shall pay the Contractor for services satisfactorily rendered within ten days after City Council approval of each such payment.

3.2 Prevailing Wages are required. The invoice must bear the following signed statement:

***"I certify that wages paid under this contract are equal or greater than the applicable wage rates set forth in the Washington State Prevailing Wage rates for Public Works Contracts issued by the State of Washington Department of Labor & Industries."***

3.3 The Contractor shall complete and return **Form W-9**, "Request for Taxpayer Identification Number" prior to or along with the first invoice submittal. In order for you to receive payment from the City of Sammamish, they must have either a Tax Identification Number or a Social Security Number. The Internal Revenue Service Code requires a Form 1099 for payments to every person or organization other than a corporation for services performed in the course of trade or business. Further, the law requires the City to withhold 20% on reportable amounts paid to unincorporated persons who have not supplied us with their correct Tax Identification Number or Social Security Number.

3.4 If during the course of the Contract, the work rendered does not meet the requirements set forth in the Contract, the Contractor shall correct or modify the required work to comply with the requirements of the Contract. The City shall have the right to withhold payment for such work until it meets the requirements of the Contract. No payments shall be made for any work performed by the Contractor except for the work identified and set forth in this Contract.

**4. Warranties/Guaranty.**

4.1 Contractor warrants that all Work conforms to the requirements of the Contract and is free from any defect in equipment, material, design, or workmanship performed by Contractor or its subcontractors and suppliers. The warranty period shall be for the longer period of: one year from the date of the City's final acceptance of the entire Work or the duration of any special extended warranty offered by a Contractor, a supplier or common to the trade.

4.2. With respect to all warranties, express or implied, for Work performed or materials furnished according to the Contract, Contractor shall:

- a) Obtain all warranties that would be given in normal commercial practice from the supplier and/or manufacturer;
- b) Prior to final acceptance require all warranties be executed, in writing, for the benefit of the City;
- c) Enforce all warranties for the benefit of the City; and,
- d) Be responsible to enforce any warranty of a subcontractor, manufacturer, or supplier, should they extend beyond the period specified in the Contract.

4.3 If, within an applicable warranty period, any part of the Work is found not to conform to the Contract, the Contractor shall correct it promptly after receipt of written notice from the City to do so. In the event the City determines that Contractor corrective action is not satisfactory and/or timely performed, then the City has the right to either correct the problem itself or procure the necessary services, recommendations, or guidance from a third party. All damages incurred by the City and all costs for the City's remedy shall be reimbursed by the Contractor.

4.4 The warranties provided in this section shall be in addition to any other rights or remedies provided elsewhere in the Contract or by applicable law.

**5. Change Orders.** Changes to the Scope of Work to be performed, or the amount of the Contract sum, or in the time for completion of the Work, shall be accomplished only by a written amendment, signed by the Contractor and the City, in advance of the proposed change. Once effective, the Contractor shall proceed promptly with the Work as modified, unless otherwise provided in the executed amendment.

**6. Insurance**

**Indemnification / Hold Harmless**

The Contractor shall defend, indemnify and hold the City, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or in connection with the performance of this Agreement, except for injuries and damages caused by the sole negligence of the City.

However, should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor and the City, its officers, officials, employees, and volunteers, the Contractor's liability hereunder shall be only to the extent of the Contractor's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Contractor's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purposes of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement.

**A. Insurance Term**

The Contractor shall procure and maintain insurance, as required in this Section, without interruption from commencement of the Contractor's work through the term of the Contract and for thirty (30) days after the Physical Completion date, unless otherwise indicated herein.

**B. No Limitation**

The Contractor's maintenance of insurance, its scope of coverage and limits as required herein shall not be construed to limit the liability of the Contractor to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy available at law or in equity.

**C. Minimum Scope of Insurance**

The Contractor's required insurance shall be of the types and coverage as stated below:

- 1. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be at least as broad as Insurance Services Office (ISO) form CA 00 01.

2. Commercial General Liability insurance shall be at least as broad as ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, independent contractors, products-completed operations, stop gap liability, personal injury and advertising injury, and liability assumed under an insured contract. The Commercial General Liability insurance shall be endorsed to provide a per project general aggregate limit using ISO form CG 25 03 05 09 or an endorsement providing at least as broad coverage. There shall be no exclusion for liability arising from explosion, collapse or underground property damage. The City shall be named as an additional insured under the Contractor's

3. Commercial General Liability insurance policy with respect to the work performed for the City using ISO Additional Insured endorsement CG 20 10 10 01 and Additional Insured-Completed Operations endorsement CG 20 37 10 01 or substitute endorsements providing at least as broad coverage.

4. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.

**D. Minimum Amounts of Insurance**

The Contractor shall maintain the following insurance limits:

1. Automobile Liability insurance with a minimum combined single limit for bodily injury and property damage of \$1,000,000 per accident.

2. Commercial General Liability insurance shall be written with limits no less than \$2,000,000 each occurrence, \$2,000,000 general aggregate and \$2,000,000 products-completed operations aggregate limit.

**E. City Full Availability of Contractor Limits**

If the Contractor maintains higher insurance limits than the minimums shown above, the City shall be insured for the full available limits of Commercial General and Excess or Umbrella liability maintained by the Contractor, irrespective of whether such limits maintained by the Contractor are greater than those required by this Contract or whether any certificate of insurance furnished to the City evidences limits of liability lower than those maintained by the Contractor.

**F. Other Insurance Provision**

The Contractor's Automobile Liability and Commercial General Liability insurance policies are to contain, or be endorsed to contain that they shall be primary insurance as respect the City. Any insurance, self-insurance, or self-insured pool coverage maintained by the City shall be excess of the Contractor's insurance and shall not contribute with it.

**G. Acceptability of Insurers**

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A: VII.

**H. Verification of Coverage**

The Contractor shall furnish the City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsements, evidencing the insurance requirements of the Contractor before commencement of the work. Upon request by the City, the Contractor shall furnish certified copies of all required insurance policies, including endorsements, required in this Contract and evidence of all subcontractors' coverage.

**I. Subcontractors' Insurance**

The Contractor shall cause each and every Subcontractor to provide insurance coverage that complies with all applicable requirements of the Contractor-provided insurance as set forth herein, except the Contractor shall have sole responsibility for determining the limits of coverage required to be obtained

by Subcontractors. The Contractor shall ensure that the City is an additional insured on each and every Subcontractor's Commercial General liability insurance policy using an endorsement as least as broad as ISO CG 20 10 10 01 for ongoing operations and CG 20 37 10 01 for completed operations.

**J. Notice of Cancellation**

The Contractor shall provide the City and all Additional Insureds for this work with written notice of any policy cancellation within two business days of their receipt of such notice.

**K. Failure to Maintain Insurance**

Failure on the part of the Contractor to maintain the insurance as required shall constitute a material breach of contract, upon which the City may, after giving five business days notice to the Contractor to correct the breach, immediately terminate the Contract or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the City on demand, or at the sole discretion of the City, offset against funds due the Contractor from the City.

**7. Prevailing Wage**

7.1 The work under the Contract may be subject to the prevailing wage requirements of [Chapter 39.12 RCW](#), as amended or supplemented. If this Contract is subject to prevailing wage requirements, the Contractor agrees that all laborers, workers or mechanics employed by it or by any subcontractor in the Work of this Contract will be paid not less than the prevailing rate of wage for an hour's work in accordance with the provisions of [Chapter 39.12 RCW](#) and all such rules and regulations as may be promulgated thereto by the Washington Department of Labor and Industries. The rules and regulations of the Department of Labor and Industries and the schedule of the prevailing wage rates for the Industrial Statistician of the Department of Labor and Industries, are by reference made a part of this contract as though fully set forth herein. These rates may be accessed on the internet at <https://fortress.wa.gov/lni/wagelookup/prvWagelookup.aspx>

7.2 In case any dispute arises as to what the prevailing rate of wage for work of a similar nature are and such dispute cannot be adjusted by the parties involved, the matter shall be referred to the Director of the Department of Labor and Industries of the State of Washington for arbitration and the director's decision therein shall be final and conclusive and binding on all parties involved in the dispute.

7.3 Contractor shall file an [Intent to Pay Prevailing Wage form](#). Contractor shall submit the Intent forms, approved by L&I to the City with payment request. No payment will be issued to the Contractor until the City receives approved forms. If any work is subcontracted on this project, an approved Intent form must be submitted for each sub-contractor.

7.4 Progress payments are to be made on this project. An approved "Notice of Intent to Pay Prevailing Wages" form must be received prior to issuing the first payment. The Contractor must submit to the Department of Labor and Industries an "Affidavit of Wages Paid" at the end of each contract year and receive L&I approval before the City will release the last payment of a contract year.

7.5 Contractor shall be responsible for all costs associated with filing the Statement of Intent to Pay Prevailing Wages and the Affidavit of Wages Paid with the Department of Labor and Industries.

**8. Assignment/Delegation.** The Contractor shall not assign this contract nor delegate any duties hereunder without prior written consent of the City, which consent may be withheld by the City in its sole subjective discretion for any cause whatsoever.

**9. Applicable Law; Venue.** This Contract shall be subject to, and the Contractor shall at all times comply with, all applicable federal, state and local laws, regulations, and rules, including the City of Sammamish Municipal Code and regulations and ordinances of the City of Sammamish. This Contract shall be deemed to have been executed and delivered within the State of Washington and the rights and obligations of the parties hereunder shall be construed and enforced in accordance with, and governed by, the laws of the State of Washington without regard to the principles of conflict of laws. Any action or suit brought in connection with this Agreement shall be brought in the Superior Court of King County, Washington.

**10. Business License.** The Contractor will be required to obtain a City of Sammamish business license prior to performing any services and maintain the business license in good standing throughout the term of its agreement with the City. A city business license application can be found at: <https://dor.wa.gov/manage-business/city-endorsements/sammamish>

**11. Termination.**

11.1 The City reserves the right to terminate or suspend this Contract at any time, with or without cause, upon seven days prior written notice. In the event of termination or suspension, all finished or unfinished documents, data, studies, worksheets, models, reports or other materials prepared by the Contractor pursuant to this Contract shall be submitted to the City within 10 days of termination or suspension.

11.2 In the event this Contract is terminated or suspended, the Contractor shall be entitled to payment for all services satisfactorily performed prior to the date of termination and reimbursable expenses incurred to the date of termination.

11.3 This Contract may be terminated immediately if the Contractor's insurance coverage is canceled for any reason, or if the Contractor fails to timely perform the services or defaults on any other material obligations under this Contract.

11.4 Any termination of this Contract shall not prevent the City from seeking any legal or equitable remedies it may otherwise have against the Contractor for the violation or nonperformance of any provisions of this Contract.

**12. Duration.** This is a two (2) year contract. Upon mutual agreement between the contractor and the City, the contract may be renewed for two (2) additional 1-year terms, either combined or individually.

**13. Independent Contractor.** For all purposes, the Contractor shall be deemed an independent contractor and shall not be deemed an employee or agent of the City for any purpose.

**14. Title VI Compliance.  
(Appendix A – Title VI Assurances)**

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Non-discrimination in Federally assisted programs of the U.S. Department of Transportation, Washington State Department of Transportation, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Non-discrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, or national origin.

- 4. Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Washington State Department of Transportation to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the Washington State Department of Transportation, as appropriate, and will set forth what efforts it has made to obtain the information.
- 5. Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Non discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Washington State Department of Transportation may determine to be appropriate, including, but not limited to:
- a. withholding payments to the contractor under the contract until the contractor complies; and/or
  - b. cancelling, terminating, or suspending a contract, in whole or in part.
- 6. Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the Washington State Department of Transportation may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

**(Appendix E – Title VI Assurances)**

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

**Pertinent Non-Discrimination Authorities:**

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21.
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27;
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131-12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38;

- The Federal Aviation Administration's Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures Non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of Limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

**15. Non-Endorsement:** As a result of the selection of a Contractor to supply services to the City, the Contractor agrees to make no reference to the City in any literature, promotional material, brochures, sales presentation or the like without the prior express written consent of the City.

**16. Non-Collusion:** By signature below, the Contractor acknowledges that the person, firm, association, co-partnership or corporation herein named, has not either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in the preparation and submission of a proposal to the City for consideration in the award of a contract on the specifications contained in this Contract.

**17. Waiver.** Waiver by the City of any breach of any term or condition of this Contract shall not be construed as a waiver of any other breach.

**18. Attorney's Fees.** In the event any action is brought by either party to enforce the terms of this Contract or for breach of this contract by the other party, the parties agree that the non-prevailing party shall pay to the prevailing party reasonable attorney fees and expert witness fees, costs and disbursements incurred by such party.

**19. Entire Contract/Binding Effect.** This Contract constitutes the entire agreement between the parties hereto.

**20. Modification.** No amendment or modification of this Contract shall be of any force or effect unless it is in writing and signed by the parties.

**21. Severability.** If any provision of this Contract is held invalid, the remainder shall not be affected thereby if such remainder would then continue to conform to the terms and requirements of applicable law, and shall continue in force and effect.

**22. Records Keeping & Reporting.**

**22.1** The Contractor at such times and in such forms as the City may require, shall furnish to the City such statements, records, reports, data, and information as the City may request pertaining to matters covered by this Agreement. All of the reports, information, data, and other related materials, prepared or assembled by the Contractor under this Agreement and any information relating to personal, medical and financial data will be treated as confidential only as allowed by Washington State laws regarding disclosure of public information, [Chapter 42.56, RCW](#)

**22.2** The Contractor shall at any time during normal business hours and as often as the City may deem necessary, make available for examination all of its records and data with respect to all matters covered, directly or indirectly, by this Agreement and shall permit the City or its designated authorized representative to audit and inspect other data relating to all matters covered by this Agreement. The City shall receive a copy of all audit reports made by the agency or firm as to the Contractor's activities. The City may, at its discretion, conduct an

audit, at its expense, using its own or outside auditors, of the Contractor's activities which relate, directly or indirectly, to the Agreement.

- 22.3** On payment to the Contractor by the City of all compensation due under this Contract, all finished or unfinished documents and material prepared by the Contractor with funds paid by the City under this Contract shall become the property of the City and shall be forwarded to the City. Any records, reports, information, data or other documents or materials given to or prepared or assembled by the Contractor under this Contract shall not be made available to any individual or organization by the Contractor without prior written approval of the City or by court order.
- 22.4** Contractor will provide all original operation and maintenance manuals, along with all warranties, from the manufacturer for any equipment or items installed or supplied to the City as part of this contracted project.
- 22.5** Contractor shall maintain accounts and records, including personnel, property, financial and programmatic records, which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed pursuant to this Agreement. Contractor shall also maintain such other records as may be deemed necessary by the City to ensure proper accounting of all funds contributed by the City to the performance of this agreement.
- 22.6** The foregoing records shall be maintained for a period of seven years after termination of this Agreement unless permission to destroy them is granted by the Office of the Archivist in accordance with RCW Chapter 40.14 and by the City.

**23. Performance During Covid-19:** Contractor shall comply with the United States Department of Labor Occupational Safety and Health Administration's (OSHA) requirements regarding COVID19 prevention, protection, and containment; these requirements can be found at the following link to OSHA's website: <https://www.osha.gov/Publications/OSHA-FS-3747.pdf>.
