

FINAL PLAT/FINAL SHORT PLAT APPLICATION

ABOUT FINAL PLATS & FINAL SHORT PLATS

Approval of a final plat or final short plat is the last step of the subdivision process. It occurs after preliminary plat approval and completion of site development, for the recordation of new lots.

Full copies of plat documents must be submitted as part of the application and when revisions are proposed.

APPLICATION REVIEW PROCESS

Final Short Plats are approved by the Director, and Final Plats are approved by the City Council, both based on conformance with the conditions set forth by the preceding Preliminary Plat/Preliminary Short Plat.
