

RESIDENTIAL DAMAGE REPAIR SUBMITTAL CHECKLIST

Overview

Getting permits to repair a home requires a variety of documents. Please include all the necessary documents to have a complete submittal package, to get you through the review process as quickly as possible.

If you are unsure about any potentially applicable submittal items, please email PermitTech@Sammamish.us.

ABOUT THE RESIDENTIAL DAMAGE REPAIR CHECKLIST

The checklist includes two sections. The first section includes submittal items required for all new permit applications. [A separate PDF of each document is required at the time of submittal.](#)

The second section includes submittal items that may be applicable to select residential remodel permit applications.

Please include all the necessary documents to have a complete submittal package. Doing so will get you through the review process as quickly as possible.

Please note that demolitions, pools, retaining walls, and detached structures require the submittal of a separate demolition or building permit.

ONLINE SUBMITTAL INSTRUCTIONS

- 1 Create an account on MyBuildingPermit.com.
- 2 Select "Apply For Permit". Then select "Sammamish" as the jurisdiction.
- 3 Select the following:

<u>Application Type</u>	<u>Project Type</u>	<u>Activity Type</u>
