SEPA Threshold Determination

Determination of Non-Significance (DNS) – December 14, 2017

Proposed 2018 Parks, Recreation, and Open Space (PRO) Plan Update

Description of proposal:

The Parks and Recreation Department is considering an update to the City of Sammamish PRO Plan. The updated PRO Plan will outline a framework for the improvement and expansion of City recreation facilities, amenities and parks to address the specific needs of the community. The framework will help identify funding needs and program objectives while setting a long-range vision for the City and providing clear action items and strategies for implementation. The draft plan can be found here: <https://www.sammamish.us/parks-recreation/park-planning-projects/park-recreation-open-space-pro-plan/>

Proponent: City of Sammamish, Department of Parks and Recreation

Location of proposal: The goals, policies, and actions of the PRO Plan apply within the corporate boundaries of the City

Lead agency: City of Sammamish, Department of Community Development

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted in writing and received by the deadline described below. Pursuant to SMC 20.15.130 there is no administrative appeal process for this action.
