Volunteer Opportunities

Do you enjoy being outside or want to help in Sammamish Parks? We host events year-round (rain or shine) and have many opportunities for volunteers. Opportunities include event support at annual recreation events, special projects, and habitat restoration. Individual, group, and family sign-ups are welcome and encouraged. If you would like to receive alerts about upcoming volunteer opportunities, sign up for events, and track your hours you can register at:

sammamish.galaxydigital.com/user/register/

If you have any questions about volunteering, please reach out to Francine Sanchez, Volunteer Coordinator fsanchez@sammamish.us

Did you know that Sammamish is a Bee City?

In 2022, Sammamish joined the Bee City initiative -an initiative focused on conserving native pollinator habitat by educating and involving the local community, improving best management practices, restoring habitat, and creating new pollinator friendly landscapes. The city is interested in knowing what bees are in our parks, especially at our native pollinator gardens and meadow. We encourage you to upload any native bee photos you have to iNaturalist. If interested, please reach out to Francine Sanchez fsanchez@sammamish.us or

You can find out more about Bee City and upcoming events by visiting: sammamish.us/projects/bee-city-initiative/

Wildlife Habitat Community 15th Anniversary

March 4th marked the 15th anniversary of the City of Sammamish becoming a National Wildlife Federation certified Wildlife Habitat Community – that's 15 years of preserving, enhancing, and restoring wildlife habitat!

Sponsorship Opportunities

Organizing a community event or program requires significant effort and resources! The city hosts a variety of events and programs, providing a fantastic opportunity for your business to connect with potential and existing customers while demonstrating your commitment to the community.

Increase Your Visibility in the Sammamish Community!

Vision Statement

To create a happy and healthy community through our aim to inspire, support and celebrate volunteerism and recreation in our community.

Mission Statement

To promote recreational activities and volunteer opportunities for growth and enhancement by developing an array of diverse, free activities and multicultural events that promote engagement, community service and foster environmental stewardship while meeting our core values with the community.

Our Core Values

Inclusion

We strive to reflect diversity, equity and inclusion in all of our activities and services.

Sustainability

We work to improve environmental and recreational functions and improve the connection between people and the environment.

Collaboration

We seek to strengthen partnerships between the City of Sammamish, private organizations, volunteers and community groups to efficiently provide recreational opportunities to our residents.

Health & Wellness

We contribute to Sammamish's health and wellness by providing safe and accessible parks, facilities, activities and events.

Customer Service

We provide a high-quality parks system through exceptional customer service and stewardship.

Accountability

We commit to being professionally accountable to our customers, to our partners, to one another and to ourselves.

Fair Play

The City of Sammamish complies with the State of Washington's "Fair Play in Community Sports Act" (Chapter 467, 2009 Laws, effective date July 26, 2009) that prohibits discrimination against any person in a community athletic program on the basis of sex. Any questions or comments may be directed to the City of Sammamish Parks and Recreation Director.

RECREATION PROVIDERS

The City of Sammamish has a unique approach to providing recreation programs and services that is based on partnerships and agreements with other community-based recreation providers or through contract with other independent instructors for services. The City relies on other providers for most of its recreation services. The following is a list of the primary providers. www.sammamish.us/our-community/recreation/recreational-providers/

Volunteer Opportunities

Get Involved in 2026! Volunteer your time and talents to support City of Sammamish events and projects!

One-time or ongoing opportunities are available to fit your schedule. Volunteering is a great way to connect with community members and make a difference where you live. Please visit **sammamish.galaxydigital.com** for details on opportunities in the community, connect with other volunteers, and create an account to keep track of your data.

Our volunteer program is designed to bring volunteers and staff together to assure the success of City programs and services. Volunteers provide valuable support and assistance to the public in a variety of programs and services throughout many City Departments

If your organization would like to volunteer as a group, please contact Sebastian Ritacco sritacco@sammamish.us and Francine Sanchez fsanchez@sammamish.us to set up a group volunteer opportunity or visit: www.sammamish.us/our-community/volunteer/

Walking Tour Guide of Restoration Sites

Stewards and volunteers have collaborated with the City of Sammamish, the Washington Native Plant Society and other regional partners to restore and conserve native plant communities in forests and stormwater sites throughout the area. We invite you to embark on a self-directed walking tour to learn more about what your community members are doing to support local ecosystems! These sites are undergoing active restoration so please stay on the trails!

Park Projects

There are a variety of volunteer projects happening in parks around Sammamish. Tasks can include native plantings, trail building, wetland and stream restoration, invasive management and storm cleanup.

Sammamish Stewards

The Sammamish Stewards preserve, protect, and promote the natural environment within the City of Sammamish. The Sammamish Stewards are a volunteer group of community members actively involved in many areas of environmental work. More info is available at the Sammamish Stewardship website.

For specific details, please contact sammamishstewards@gmail.com

Learn More About Sammamish Stewardship:

- **Stormwater Stewards:** Work to promote native plants around select stormwater ponds.
- **Native Plant Stewards:** Employ restoration strategies to enhance native plant communities in partnership with the Washington Native Plant Society.
- **Wildlife Habitat Stewards:** Educate the community to improve wildlife habitat in partnership with the National Wildlife Federation.

Adopt A Storm Water Pond:

Interested in adopting a storm water pond in your community? **Please contact Sebastian Ritacco; sritacco@sammamish.us**

Adopt A Road:

In 2025, Adopt-A-Road participants removed 224 bags of garbage from Sammamish Roads! That's 560 standard bathtubs worth of garbage kept from entering our local waterways and natural areas! Interested in adopting a road? You can get added to the waitlist and be contacted when a road becomes available. **Please contact Francine Sanchez; fsanchez@sammamish.us**

VOLUNTEER OF THE YEAR

Honoring Anna Yorba 2025 Volunteer of the Year

Anna Yorba is a National Wildlife Federation & Washington Native Plant Society certified Master Steward who has provided her expertise to multiple projects in Sammamish Parks. As a master steward she has led many projects restoring native habitat at East Sammamish Park and spearheaded projects at the Lower Commons Native Plant Garden. In addition to her extensive field work, she also serves on the Parks & Recreation Commission offering her expertise on a variety of parks projects. Her peers specifically had to say that she “Leads with a quiet, collaborative, & consistent style that helps get the best out of her teammates.”

Anna is an invaluable volunteer whose dedication to Sammamish Parks will have lasting impacts on the Sammamish community for many years to come.

Congratulations, Anna, on this well-earned recognition!

COMMUNITY EVENTS

Power Up Sammamish!

Did you know that signing up for the Puget Sound Energy Green Power Program matches your electricity use with renewable energy from wind and solar? Join the 2,170 Sammamish customers already reducing their environmental impact, starting at just \$4 per month.

The City took the first step and enrolled all our facilities in Green Power in 2025, supporting carbon reductions of over 1.7 million pounds. In 2026, the City is partnering with PSE to increase residential support for clean energy City-wide.

Why join?

- Contribute to local, renewable energy generation and a healthier environment for all.
- Lower your carbon footprint by reducing emissions from electricity.
- If the goal of 100 new enrollments is reached, PSE will provide the City of Sammamish with \$10,000 toward a new solar panel project on a community building!

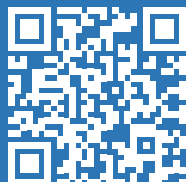

Signing up is easy! Simply login to your PSE account to enroll in Green Power or Community Solar - both count toward our goal.

To learn more about these programs, visit:
pse.com/greenpower or
pse.com/communitysolar

With either option, the cost is simply added to your monthly bill, and you can cancel anytime.

PARKS PLANNING

East Sammamish Park Field Improvements

East Sammamish Park will soon see significant upgrades, marking the first major renovation since the park was built in the early 1990s.

Construction is expected to start in July and be completed by the start of the school year in September. During construction, the pickleball/tennis courts will remain open for public use. However, the playground, shelter, restroom, and athletic fields will be temporarily closed.

The improvements will include new synthetic turf baseball infields, minor ADA accessibility upgrades between the fields and the entry area and resurfacing the batting cages with synthetic turf. These upgrades are designed to create a more welcoming and inclusive park while enhancing overall experience and usability for the community.

PUBLIC ART

Throughout the years, the Arts Commission has played a key role in acquiring significant art pieces, integrating art and culture to create a sense of place, civic identity and unique character in Sammamish. Each showcased piece has a story. Explore the significance and the journey of the public art throughout the City.

The Sammamish Arts Commission invites creative and imaginative participants to contribute to the Fairy House Trail! Build your enchanting fairy houses at home and share them with the community to enjoy all summer long. This whimsical trail brings magic and wonder to visitors of all ages—join in the fun and let your creativity shine!

Fairy Houses will be displayed starting in the middle of June at Big Rock Park South.

Fairy Houses can be dropped off starting June 1, at Sammamish City Hall. The deadline to submit your Fairy House is June 15.

Sammamish Grows Together

Sammamish Grows Together is an art exhibit that celebrates community. We are looking for community submissions of photos, video, and audio stories that highlight the connections we share - neighbors working together, sports in the community, cultural celebrations, volunteerism with gardening and community events. Submissions will be accepted from April 15- June 1.

For more information, visit our gallery page on our website or contact Britt at bbowman@sammamish.us.
