SEPA Threshold Determination

Determination of Non-Significance (DNS) – October 29, 2019

Title 25

Description of proposal:

The City of Sammamish is undertaking a periodic review of its Shoreline Master Program (SMP) by using the optional joint review process authorized under WAC 173-26-104. The City has prepared draft SMP amendments to keep the SMP current with changes in state law, changes in other City plans and regulations, and other changed local circumstances.

Proponent:

City of Sammamish, Community Development Department

Location of proposal:

Title 25 will apply to Lake Sammamish, Pine Lake and Beaver Lake and their adjacent shorelands and any other areas that the City may annex that qualify as shorelines as defined in Chapter 25.02 SMC and RCW 90.58.030.

Lead agency:

City of Sammamish, Community Development Department

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted in writing and received by the deadline described below. Pursuant to SMC 20.15.130, there is no administrative appeal process for this action.
