Existing Environmental Documents Available for Review: Critical Area Affidavit, Plan Set, and SEPA Checklist.

State Environmental Policy Act (SEPA) Review: Based on the submitted application, and available information, the City anticipates issuing a Determination of Non-Significance (DNS) for this proposal and the optional DNS process as specified in WAC 197-11-355 is being utilized. Consequently, this may be the only opportunity to comment on the environment impacts of this proposal. This proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. A copy of the subsequent SEPA threshold determination for the proposal may be obtained upon request.
